WHAT WE ARE DOING TO PROTECT YOU

WASH HANDS FREQUENTLY

- We are regularly and thoroughly cleaning our hands with an alcohol-based hand rub or wash them with soap and water.
- Wearing PPE in accordance to guidance from government

SOCIAL DISTANCING

- No queuing allowed in the shop you will be welcomed in by a member of staff.
- one way system to avoid overcrowding
- open doors to increase air flow
- plastic screens

BEFORE OUR SHIFT

- Checking our staff temperature at the beginning of every shift.
- All employees uniform are not worn off the premises and fresh clean uniform is worn at the beginning of every shift.

CLEANING PRODUCTS

- We are using cleaning products specifically designed to target viruses.
- After each customer leaves, we disinfect tables/ chairs/ jars on table.
- A sanitation station at the front of the café for customer use.
